

Valard | FOUNDATIONS

ABOUT US

As of May 1st, 2019, Northstar Sharp's amalgamated into Valard Construction and began operating under the Valard banner. This change was made to realize and maximize the synergistic efficiencies made possible by adding a world-class Foundations Group to the Valard suite of services. The entity continues to provide unmatched piling and drilling capabilities.

JOINED VALARD GROUP

October 2010

Quanta's Electric Power Infrastructure Services in Canada (as well as some European entities) are all encompassed within the Valard Group of Companies.

We work with expert partners to seamlessly produce turnkey solutions for our clients.

Through a single contract and point of contact, we can, collectively, put together a full service team to successfully deliver every aspect of a power project.
